# COMPANY PROFILE

We are a professional WPC (Wood-Plastic Composite) manufacturer specializing in high-quality outdoor decking, wall panels, pergolas, and fencing. With 30 advanced extrusion lines and 200+ molds in various series, we offer customizable colors, lengths, and shapes to meet diverse project needs.

Our factory supports OEM production, allowing tailored solutions based on your designs. Whether for residential gardens, commercial landscapes, or architectural projects, our durable, eco-friendly, and low-maintenance WPC products ensure superior performance and aesthetic appeal.

Choose us for reliable quality, competitive pricing, and flexible customization—your trusted partner in outdoor WPC solutions!

- Location:Guangdong,China.
- Introduction:China best manufacture of all kinds of Outdoor WPC decking,Outdoor WPC wall panel,Outdoor WPC tubes,Outdoor WPC railing,Outdoor WPC Aluminium fence,Outdoor WPC tiles,Outdoor WPC Pergola,Outdoor WPC Gazebo,Outdoor WPC Customized drawings products
- Factory Area:25000 square meters    ● Founded:in 2000
- Number of Employees:150    ● OEM&ODM Customization:Accepted
- Certification:CE,SGS,ISO

## Advantage

### Technical innovation

We have obtained a number of national scientific research qualifications, certifications, patents, and do their best for the development of the industry!

### Professional production

45 semi-automatic extruded production lines, reasonable and effective production models, Strictly follow the requirements of customer orders to control the quality of factory products, and provide stable and high-quality wood plastic composite products for the market.

### Team service

Internal and foreign trade, team-based marketing models, real-time analysis of market movements, accurate services, and high-end customized products correspond to market demand.

# SERVICE

## Pre-sale

Explore product technology and design solutions with customers

## In-sale

Strictly follow the requirements of customer orders to control the quality of factory products, as well as the construction guidance and technical support of the product implementation project on site.

## After-sale

Product problems caused by various reasons for products will be quickly replaced and maintained.

## PRODUCT COLOR CARD

### CO-EXTRUSION COLORS

Teak

Antique

Redwood

IPE

Light-grey

Walnut

### CLASSIC COLORS

Teak

Redwood

Walnut

Coffee

Chocolate

Ebony

If the above colors do not meet your requirements,  
We can adjust the colors according to the color  
samples as provided.

# WPC GAZEBO

## Gazebo style

Western style square gazebo

Western style hexagonal gazebo

Chinese style hexagonal gazebo

The WPC looks like wood but the performance is far more superior than wood as it is with high density, water & termites & decay resistant, Furthermore, it could be easily cut, drill, screwed. Optimal structural design and appropriate accessories, we also provide flexible design proposals.

Item No.	Name	post center long, width and height(mm)	Projection area(mm*mm)
1	Western style square gazebo	2000*2000*3000	3000*3000
2		2500*2500*3200	3850*3850
3		3000*3000*3200	4500*4500
4	Western style hexagonal gazebo	1800*1800*3200	2700*2700
5	Chinese style hexagonal gazebo	1800*1800*3200	2700*2700

More design!

# WPC gazebo installation guide diagram

The installation of WPC gazebo is technical in nature, Woodedtech pre-processed the structural components in advance according to the design and marked them one by one, and assembled and constructed them on site according to the assembly drawings of each component, which greatly simplified the construction and avoided construction errors.

1, High-quality raw materials are mixed and granulated

2, Each model corresponds to at least one set of molds

3, The extruder extrudes the raw material into profiles using a mold

4, The extruded profiles must be neatly bundled and cooled.

Control the production quality of each process according to quality standards

5, Various surface treatments after cooling the extruded profiles

6, Precision cutting of WPC profiles according to requirements

7, Perform woodworking tasks such as drilling, bending, and shaping.

8, Packaged according to order requirements

Loading completed and waiting to arrive in your hands!
