# COMPANY PROFILE

We are a professional WPC (Wood-Plastic Composite) manufacturer specializing in high-quality outdoor decking, wall panels, pergolas, and fencing. With 30 advanced extrusion lines and 200+ molds in various series, we offer customizable colors, lengths, and shapes to meet diverse project needs.

Our factory supports OEM production, allowing tailored solutions based on your designs. Whether for residential gardens, commercial landscapes, or architectural projects, our durable, eco-friendly, and low-maintenance WPC products ensure superior performance and aesthetic appeal.

Choose us for reliable quality, competitive pricing, and flexible customization—your trusted partner in outdoor WPC solutions!

- Location:Guangdong,China.
- Introduction:China best manufacture of all kinds of Outdoor WPC decking,Outdoor WPC wall panel,Outdoor WPC tubes,Outdoor WPC railing,Outdoor WPC Aluminium fence,Outdoor WPC tiles,Outdoor WPC Pergola,Outdoor WPC Gazebo,Outdoor WPC Customized drawings products
- Factory Area:25000 square meters    ● Founded:in 2000
- Number of Employees:150    ● OEM&ODM Customization:Accepted
- Certification:CE,SGS,ISO

## Advantage

### Technical innovation

We have obtained a number of national scientific research qualifications, certifications, patents, and do their best for the development of the industry!

### Professional production

45 semi-automatic extruded production lines, reasonable and effective production models, Strictly follow the requirements of customer orders to control the quality of factory products, and provide stable and high-quality wood plastic composite products for the market.

### Team service

Internal and foreign trade, team-based marketing models, real-time analysis of market movements, accurate services, and high-end customized products correspond to market demand.

# SERVICE

## Pre-sale

Explore product technology and design solutions with customers

## In-sale

Strictly follow the requirements of customer orders to control the quality of factory products, as well as the construction guidance and technical support of the product implementation project on site.

## After-sale

Product problems caused by various reasons for products will be quickly replaced and maintained.

## PRODUCT COLOR CARD

### CO-EXTRUSION COLORS

Teak

Antique

Redwood

IPE

Light-grey

Walnut

### CLASSIC COLORS

Teak

Redwood

Walnut

Coffee

Chocolate

Ebony

If the above colors do not meet your requirements,  
We can adjust the colors according to the color  
samples as provided.

# DIY WPC DECKING TILES

## INFORMATION

Name: DIY WPC Decking Tiles  
 Application: Balcony, Terrace, Courtyard, Sun room, Garden, etc.  
 Specification: 30\*30cm, 30\*60cm, 30\*90cm  
 Texture: Wood grain, Brush grain, Groove  
 Advantages: Low Maintenance, No formaldehyde  
 Splicing method: Interlock design  
 Material: 30%HDPE+60%Wood Powder+10%Additives

### Classic--basic series

No co-extrusion layer, consistent material throughout, relatively simple texture, good deep processing performance.

### Co-extrusion --basic series

The surface layer is a co-extruded layer, divided into a co-extruded layer and a core layer. The two layers are made of different materials and have a high-end, luxurious texture, but do not have deep processing properties.

1,High-quality raw materials are mixed and granulated

2,Each model corresponds to at least one set of molds

3,The extruder extrudes the raw material into profiles using a mold

4,The extruded profiles must be neatly bundled and cooled.

Control the production quality of each process according to quality standards

5,Various surface treatments after cooling the extruded profiles

6,Precision cutting of WPC profiles according to requirements

7,Perform woodworking tasks such as drilling, bending, and shaping.

8,Packaged according to order requirements

Loading completed and waiting to arrive in your hands!
